*Honorable Recommended by "BlogTO" in 2018*

Frangipane filled puff pastry with a ceramic figurine baked inside  
 Complete with a golden crown!

*The first Sunday in January the three kings brought gifts to the baby Jesus. The tradition follows that the recipient of the ceramic figurine in their slice of cake is "king of the day" and wears the crown for the day.*

*The person who receives the crown then buys the next Galette des Rois along with a bottle of Champagne for the next house they visit during the month of January. Enjoy a favorite tradition of France!*
